**Re: Our Case No.: 27,361**

**S i r:**

The undersigned hereby petitions the Honorable Commissioner of Patents to grant a license to file, or cause to be filed, an application for Letters Patent and amendments thereto in all countries except those restricted by the Office of International Trade, on the invention described in the above-entitled application.

Kindly notify the Washington representative of the undersigned at Suite 408, 2001 Jefferson Davis Highway, Arlington, Virginia (Telephone 703-521-2750) when the license is granted.

**26 JAN 1979**

**415277**

Respectfully submitted,

*Charles F. Costello, Jr.*
